Join us for "Indian Bingo Night"!

This one night of Indian Bingo is to help raise funds for the 3rd Annual American Indian Heritage Celebration that will take place on Saturday, October 18, 2008 from 10am to 6pm at the National Hispanic University (14271 Story Rd., near White Rd., San Jose, CA 95127). The American Indian Heritage Celebration welcomes everyone to join the local American Indian Tribe and Neighboring Tribes, American Indian Community, Social and Health Organizations, and Agencies in "Celebrating Our Youth, Celebrating Our Future." This one-day celebration includes: Honoring American Indian Elders, Veterans and Youth; American Indian arts and crafts vendors, music, dance, food, cultural craft activities, historical displays, information on American Indian languages, health and other services. Also, meet members of the SF Dragons Lacrosse Team and participate in lacrosse demonstrations. For more information on the AIHC please visit our website at www.americanindianheritage.org or call Vernon Medicine Cloud at (408) 445-3400 x208 or E-mail vmcloud@ihcscv.org.
